DIVISION OF INTERNATIONAL EDUCATION

THE INTERNATIONAL SUMMER SCHOOL in INNSBRUCK, AUSTRIA

July 2 - August 13, 2010

UNO and the University of Innsbruck receive the Euro-Atlantic Culture Award for International Education

This prestigious prize was awarded to the University of New Orleans and the University of Innsbruck for “their remarkable contribution to the scientific and cultural exchange between Europe and the USA.” The European Foundation for Culture “Pro Europa” supports cooperation in the areas of art and science between the European Union and the United States. The International Summer School is the cornerstone of the long-standing friendship between UNO and the University of Innsbruck.
WELCOME TO THE INTERNATIONAL SUMMER SCHOOL

The University of New Orleans is proud to welcome you to the 35th session of The International Summer School. International programs, such as this one, exist not only to fulfill your educational needs, but to introduce you to the vibrant beauty that is to be found in other cultures. As you immerse yourself in the activities of your host culture remember that, through your participation in this program, you serve as a cultural ambassador for The University of New Orleans and the United States.

It is my sincere hope that your experience in Innsbruck will challenge you and inspire you in the choices you make for your future. Certainly your global view will be broadened and a taste for travel will be nurtured! Cultural understanding is a necessary step to world peace and you can be proud to be part of this process.

Again, welcome, and enjoy your summer abroad!

Timothy P. Ryan, Chancellor
The University of New Orleans

UGA AS PARTNER INSTITUTION
The University of Georgia entered a formal affiliation with The International Summer School in 1989. Over 1800 Georgia students and faculty have participated in this program. Credits earned transfer as appropriate credit at UGA and financial assistance is available for qualified students. Information is available through the Office of International Education, 110 E. Clayton St., Bank of America Building, 3rd Fl., Ste. 300, University of Georgia, Athens, GA 30602. Tel: (706) 425-3274, Email: goabroad@uga.edu. Students may also consult UGA faculty who participate in the program.

**A MESSAGE FROM THE ACADEMIC DIRECTOR**

“International student mobility” is a fashionable concept in higher education now—a UNO International Summer School has practiced it with great success for over a third of a century. Over the past 35 years, more than 8,000 U.S. students have completed our academic program in Innsbruck, the Alpine capital city of Tyrol, Austria. From this heart of Europe, they have travelled and seen most parts of the continent. In this process of learning and travelling, they have experienced foreign cultures, met new people and become global citizens. Now it is your turn to make this journey which will enrich you academically and personally! The Summer School faculty, hand-picked for their teaching excellence, offer inspiring courses enhanced by the European setting. Austrian students from the University of Innsbruck also participate in our classes and greatly enrich class discussions with their perspectives. This meeting of the minds of students and scholars across the Atlantic will be the focus of our 35th Summer School gathering in Innsbruck in 2010.

Günter Bischof, Academic Director
The International Summer School 2010
ELIGIBILITY & ADMISSION GUIDELINES for ALL STUDENTS

Undergraduates with a 2.5 average and graduate students with a 3.0 average (on a 4.0 scale) and non-degree seeking students are eligible to apply for admission. New students seeking college credits must meet the general admissions requirements of the University of New Orleans. Guest students from other institutions and continuing University of New Orleans students must meet the grade point requirements above. Priority will be given to students enrolled in a university program. After review of all application materials, students will be notified of acceptance into The International Summer School.

HOW TO APPLY:
Apply online: [http://inst.uno.edu/austria/](http://inst.uno.edu/austria/) Click on “Apply Here” to begin the application process. In addition to submitting the online application, you must complete and return all application forms before your application can be reviewed for acceptance into the program. Course selection takes place at the time of application but cannot be guaranteed until student is accepted.

REGISTRATION & SCHEDULING:
• Registration is complete upon receipt of a student’s formal application and deposit
• Course scheduling will be arranged based on a student’s preference list. In the event of time conflicts or if class quotas of 15 per class have been reached, students will be assigned to course(s) on their alternate list.
• The International Summer School requires all students to complete at least six hours (two courses).

The Opening Ceremony at the Innsbruck Congress House is a highlight of our program.

“I came with great anticipation of a fun-filled summer, full of sightseeing, train rides, good food, and party times! What I didn’t anticipate was how much I would learn.”
Liza Hughes, Marietta, GA

Some courses have precise UGA transfer equivalents, while others may have a more general transfer designation such as HIST 3T**, which indicates only the department and course level (in this case, a 3000 level History course). If needed, students may work directly with an academic advisor to determine a more precise course transfer equivalent. Students are advised to begin the Credit Approval Form process as soon as the decision to participate in the UNO Innsbruck program is made and program acceptance is received.

ELIGIBILITY & ADMISSION GUIDELINES for UGA STUDENTS:
University of Georgia students participating in The International Summer School must complete the UGA Study Abroad Credit Approval Form for UNO Innsbruck (Credit Approval Form) and submit it to the UGA Office of International Education (OIE) no later than 3 weeks prior to departure.

UGA students earn non-resident, transfer credit issued by the University of New Orleans and grades earned on this program are calculated into the students’ overall GPA at UGA. Students should work with their Academic Advisor to complete and sign the Credit Approval Form and determine how the UNO Innsbruck classes will transfer and apply to specific UGA degree requirements or electives. UGA equivalents for courses offered in The International Summer School are listed on the UNO website, as well as the Credit Approval Form.

Some courses have precise UGA transfer equivalents, while others may have a more general transfer designation such as HIST 3T**, which indicates only the department and course level (in this case, a 3000 level History course). If needed, students may work directly with an academic advisor to determine a more precise course transfer equivalent. Students are advised to begin the Credit Approval Form process as soon as the decision to participate in the UNO Innsbruck program is made and program acceptance is received.

Students should not participate in The International Summer School without the Credit Approval Form on file in the OIE. In order to receive federal, state or institutional financial aid, including HOPE and other scholarships for studying abroad, the Credit Approval Form needs to be submitted to the OIE. UGA financial aid, such as the HOPE scholarship and book allowances, is based on the number of credits students enroll in during the program and is calculated at the UGA tuition rate. Students can obtain a Credit Approval Form in the Study Abroad Library in the OIE, 110 E. Clayton St., Bank of America building, 3rd Floor, Suite 300, or download from the Download Forms section of the OIE website: [http://www.uga.edu/oie/sa_forms.htm](http://www.uga.edu/oie/sa_forms.htm).

UGA students should contact the UGA Office of International Education to schedule an advising appointment with a Study Abroad Advisor if you have any questions about studying abroad, the credit transfer process, credit approval form, scholarships or financial aid.

CURRICULUM:
In keeping with the purpose of The International Summer School, courses are enhanced by the setting in Austria and Europe. A concerted effort is made in all courses to reinforce the classroom instruction with the rich cultural surroundings.

Class room building in Innsbruck.

All courses are taught in English. However, students are urged to take a German language course either before or during the summer for a better appreciation of the European experience. All courses listed will carry three credit hours unless otherwise indicated. The academic regulations currently in force at The University of New Orleans will apply in Innsbruck as well. Freshmen and sophomores are eligible to enroll in courses numbered 1000 and 2000, and upperclassmen (over 59 hours of credit) may take any of these courses as well as those numbered either 3000 or 4000. Graduate students are eligible to enroll for graduate credit in courses numbered 4000 and above.

NOTE: Guest students are responsible for securing approval from their own schools for the courses they wish to transfer.

EXAMINATIONS, TRANSCRIPTS & DIPLOMAS:
• Mid-term and final examinations will be given in all courses. Regular attendance is required of every student.
• An official transcript of grades and credit hours earned will be sent by The University of New Orleans to all students’ home institutions who complete The International Summer School.
• A special certificate for The International Summer School will be awarded to students who complete at least nine hours with academic distinction (at least two A’s and one B).
• All students will receive a special certificate of attendance reflecting course grades.

‘Studying with The International Summer School has been one of my most educational and eye-opening experiences. The International Summer School encouraged us to take advantage of all of Europe. The time I spent in Europe with this program will always symbolize a summer of personal growth and a new appreciation for the world I live in.’
Shana Miller, West Hartford, CT

UNIVERSITY OF INNSBRUCK:
The Leopold-Franzens University of Innsbruck, founded in 1669 by Emperor Leopold I, is recognized today as a major European Institution of higher learning and research. A longstanding formal Friendship Agreement with the University of Innsbruck affords UNO special access to the resources and faculty of this great European university. Since 1976, more than 8,000 students have spent their summers at The International Summer School on the campus of the University of Innsbruck. Moreover, hundreds of Austrian students have studied at The University of New Orleans, many of them for a year or longer. As a result, no university in the world has welcomed as many students from the University of Innsbruck as The University of New Orleans.

The University of Innsbruck was founded in 1669.

SUMMER SCHOOL COSTS:
Program Cost: $4,995.00
This cost includes:
• tuition
• university fees
• transcript fees
• accommodation in a double room
• full breakfast and luncheon buffets on all class days
• opening and closing ceremonies
• other social functions
• some class field trips
• round-trip bus transportation between Innsbruck and the Munich airport
• nursing services and comprehensive medical insurance

Not included in the Program Cost:
• transatlantic airfare

FINANCIAL ASSISTANCE:
The University of New Orleans and The International Summer School believe strongly that the European educational experience should be made available to as many qualified students as possible. To this end, a limited number of awards are available to UNO and UGA undergraduate students who exhibit high academic achievement, can clearly demonstrate financial needs, and whose academic plans will benefit most from this experience. Recipients are designated as Ambassadors and are expected to assist with the program while in Innsbruck. For further information contact the Division of International Education at The University of New Orleans.
AIR TRANSPORTATION
The University of New Orleans, through ITS Tours, has arranged group flights on Delta, Air France, Scandinavian Airlines and United Airlines. The flights will depart from Atlanta or New Orleans on July 1, 2010 and arrive in Munich, Germany on July 2, 2010, with a return date on August 13, 2010. Group seats on each airline are limited and are sold on a first-come, first-serve basis. The cost for round-trip airfare from Atlanta or New Orleans to Munich is $1,845.00 if full payment is received before March 1, 2010. Cost for round-trip airfare from Atlanta or New Orleans to Munich is $1,945.00 if full payment is received between March 1, 2010 and March 31, 2010. UNO will provide round-trip coach transfer between Germany’s Munich airport and the dormitory in Innsbruck, Austria on July 2, 2010, and on August 13, 2010 for all International Summer School students.

RAILPASSES
For weekend travels through Europe and travels before and/or after the program, rail is the cheapest, most efficient mode of transportation and the one that most students use. Purchasing a Eurailpass best achieves inexpensive rail transport. Eurailpasses may only be purchased in the United States and are not available in Europe. We strongly recommend that students purchase their Eurailpass from ITS Tours. Please contact ITS Tours to purchase your Eurailpass. To learn more on Eurailpasses please visit The International Summer School web site at: [http://inst.uno.edu/austria](http://inst.uno.edu/austria). As Eurailpasses are based on the exchange rate between the US dollar and the Euro, the USD rate is not fixed until the pass is actually purchased. Therefore, we strongly recommend that you purchase your pass as soon as possible to protect against any increase in rail pass prices.

To reserve your flight and Eurailpass:
Please e-mail ITS Tours at their designated email address for this UNO group (see below). In the e-mail please identify yourself as a student on The International Summer School, give your full name (as per passport), the dates of your proposed departure and return to the US, your preferred US departure city, gender, and date of birth. Additional information per TSA (Transportation Security Administration) regulations may be required before the date of departure.

GROUP FLIGHT
For information on how to book a seat on the group flight, please read this information carefully:

Payment Terms:
A $300 deposit by check (credit cards not accepted for deposits) will be required at the time of booking space in the group air block, which is refundable up to February 26, 2010 with written notice from the participant.

Final payment by check or credit card will be due no later than March 31, 2010, and is non-refundable once received by ITS Tours. Therefore we very strongly recommend the purchase of travel insurance from ITS Tours (see below).

March 31, 2010 is the last date ITS Tours is able to receive full payment in order for participants to purchase a ticket at the group rate. However, please keep in mind that group space on each airline is limited and is provided on a first-come, first-serve basis and may not be available if participants wait until this date. Early purchase is strongly recommended. After March 31, 2010, tickets will be available at the prevailing individual rate on the date of purchase.

Please be aware that group seats are blocked by ITS Tours a year in advance of the proposed travel dates and the airlines are guaranteeing a fixed base rate for the seats regardless of what happens with the airfares. Because of this, at times, there may be individual seats available for instant purchase online or directly with the airline(s) that may be lower priced than the group airfares. However, please be aware that these types of tickets must be purchased instantly, and only a very limited number of seats will be available for sale. The group base rate ITS Tours has negotiated is the same for all travelers in the group and is guaranteed not to change as long as all deadlines are adhered to. Note, however, that the group rates quoted above include all government taxes, airline surcharges, airport fees, and fuel surcharges on the date this information is printed for publication and that, in case any or all of these items do change before ticketing, the total rate of the ticket may increase and the participants will have to pay the increase before ticket will be released. This is beyond the control of ITS Tours and these taxes, fees, and surcharges may increase at any time without notice.

ITS Tours accepts checks, money orders, VISA, MasterCard or American Express credit cards for final payment (deposits must be paid by check). Credit card payments must be accompanied by an authorization form completed by the actual cardholder. Please advise ITS Tours in your initial correspondence of your preferred method of payment. Once you have been accepted into The International Summer School, ITS Tours will e-mail each participant the details regarding the group flight and Eurailpasses.

Students are urged to book and make their deposit early in order to ensure a reservation. Space can only be guaranteed once ITS Tours has received your payment information and signed authorization. Again, group space is limited and is provided on a first-come, first-serve basis. Reservations for connecting domestic flights are made at the time of booking and deposit.

Tickets will be electronic and will include a group flight passenger receipt, flight itineraries, and a round-trip coach transfer coupon. Coach transfer information (pick-up point, departure time, etc.) will be sent to each person with final documents. Group tickets are issued approx. 30-45 days before departure. Once a ticket has been issued, it will be non-transferable, non-changeable, and non-refundable for any reason including medical reasons. In addition, no partial credit for unused tickets will be granted nor will credit toward future travel be granted if all or part of a ticket has been canceled or unused. Cancellation of a reservation will incur penalties; details will be provided upon request.

When full payment has been received, participants will be placed by the airline into the “block” of seats assigned to the group on each aircraft. Specific seat requests cannot be honored in advance of airport check-in. It is possible to request a change from the “block” upon check-in with each respective air carrier but a change from the pre-assigned “block” seat may not be granted before airport check-in. Frequent flier numbers may only be presented to each specific air carrier upon check-in with that specific carrier and will not be accepted in advance.

Travel Insurance:
Because your payment is non-refundable once received by ITS Tours, The International Summer School, ITS Tours and all airlines involved strongly recommend each participant consider purchasing appropriate travel insurance for trip cancellation and baggage loss. Each participant and/or purchaser of travel insurance is solely responsible in understanding the possible limitations associated with the travel insurance they decide to purchase. Please check with ITS Tours for coverage and quotes.

Other Travel:
ITS Tours will also be able to make any other travel arrangements before and/or after the program. If you plan to travel independently in Europe before and/or after the scheduled Innsbruck program, please contact ITS Tours and they will help arrange this travel for you. This may save you some money. It may be possible to fly back with the group flights even if your flight to Europe was different than the scheduled group flights, as long as your flights are arranged through ITS Tours. Different conditions may apply if you make alternate travel arrangements with ITS Tours. These deviations will be handled separately by an international air expert from ITS Tours.
IMPORTANT INFORMATION

PASSPORT & VISAS:
A valid passport is required for all U.S. and Canadian citizens traveling to Europe. For passport fees and application instructions see the U.S. Department of State site: http://travel.state.gov/passport

It is strongly suggested that you apply for your passport as soon as possible, and no later than April. All foreign students requiring visas for travel in European countries must secure those visas before arrival in Europe. The Division of International Education assumes no responsibility for visas.

AIRPORT TRANSFER:
All participants on The International Summer School can take the coach transfer between the Munich airport and the Innsbruck dormitory on July 3, 2010 with return on August 13, 2010.

WEEKEND TRAVEL:
Classes are generally scheduled from Monday to Thursday, except for the first and the fourth week of classes when classes are held on Friday. Most of these long weekends are free for students’ individual travel and offer a wonderful opportunity to explore other parts of Europe.

HOUSING:
The International Summer School includes accommodations at a dormitory in Innsbruck. The facility offers rooms with a private shower and toilet as well as a desk and wardrobe in each room. Most rooms are twins. A full breakfast buffet is served in the dorm on class days. Single room upgrades are available for $550.00. Please see website for details.

CLASS FIELD TRIPS:
Most students in The International Summer School will enjoy the opportunity to take field trips within Innsbruck as well as other parts of Austria and across international borders to Italy and Germany. These trips are integral to the courses and are conducted by the professor of each class. Most short excursions require no additional expense in order to participate.

We are convinced that these field trips provide some of the real highlights and exceptional experiences of The International Summer School. Students should consult the individual course descriptions provided in the online Summer Course Guide for details of courses requiring field trips and any additional costs involved, or call The International Summer School office for more information. Students are advised not to miss any required field trip(s) as this could result in academic/ participation penalties.

ACCESSIBILITY FOR THE DISABLED:
The University of New Orleans is committed to making The International Summer School and all of its programs accessible and friendly to the physically challenged. Persons requiring special facilities should notify the Program Director at the earliest possible date so that their needs may be properly assessed and accommodated.

"Attending The International Summer School made me a more diverse person. I'd recommend this program to anyone."
Kimberly Alison, Williamsburg, VA

"The International Summer School allowed me to visit places I'd only dreamed about, earn college credit, and make new European friends, all at the same time."
Kara Bachman, New Orleans, LA
DATES TO REMEMBER

APPLICATION: Apply as early as possible. Enrollment is limited, and most courses are restricted to 15 students. Admission to the program, selection of courses and rooms are determined by the Division of International Education at UNO after a full review of all application material. A deposit of $300.00 is due with application, $150.00 of which is a non-refundable fee.

ITS TOURS: $300 deposit due as early as possible to secure your space on the group flight.
