THE INTERNATIONAL SUMMER SCHOOL
in INNSBRUCK, AUSTRIA

July 1 - August 12, 2011

UNO and the University of Innsbruck receive the Euro-Atlantic Culture Award for International Education

This prestigious prize was awarded to the University of New Orleans and the University of Innsbruck for “their remarkable contribution to the scientific and cultural exchange between Europe and the USA.” The European Foundation for Culture “Pro Europa” supports cooperation in the areas of art and science between the European Union and the United States. The International Summer School is the cornerstone of the long-standing friendship between UNO and the University of Innsbruck.
WELCOME TO THE INTERNATIONAL SUMMER SCHOOL

The University of New Orleans is proud to welcome you to the 36th session of The International Summer School. International programs, such as this one, exist not only to fulfill your educational needs, but to introduce you to the vibrant beauty that is to be found in other cultures. As you immerse yourself in the activities of your host culture, remember that, through your participation in this program, you serve as a cultural ambassador for the University of New Orleans and the United States.

It is my sincere hope that your experience in Innsbruck will challenge you and inspire you in the choices you make for your future. Certainly your global view will be broadened and a taste for travel will be nurtured! Cultural understanding is a necessary step toward world peace and you can be proud to be part of this process. Again, welcome, and enjoy your summer abroad!

A MESSAGE FROM THE ACADEMIC DIRECTOR

Join us for an “Academic Adventure in the Alps” and discover the rest of Europe on your weekends! UNO’s renowned International Summer School in Innsbruck, Austria is an amazing opportunity, typically described by our students as “the best summer of my life,” “a life-changing experience,” and “worth every penny.” This summer, we will continue to offer the quality that has been applauded by our more than 8,000 alumni since 1976. Students and parents can rely on over 35 years of experience and can rest assured that once again we will create a learning environment that encourages growth in the classroom, on various field trips, and with other cultural and travel experiences. The superior faculty, selected for their teaching excellence, has been brought together from distinguished U.S. and European universities. Our classes have an average enrollment of 12, and generally include several students from the University of Innsbruck, our partner institution. While this co-enrollment of U.S. and Austrian students enriches each class and our program in general, it frequently also leads to life-long friendships. Finally, our “Academy in the Alps” is further enhanced by daily opportunities for recreation and sports in the unique natural and cultural setting of Innsbruck.

I hope you will join me this summer in what is likely to become one of your favorite cities in the world: Innsbruck, the wonderful city on the Inn River.

Milton Pressley, Academic Director—The International Summer School 2011
ELIGIBILITY & ADMISSION
GUIDELINES for ALL STUDENTS

Undergraduates with a 2.5 GPA grade point and graduate students with a 3.0 GPA (on a 4.0 scale) and non-degree seeking students are eligible to apply for admission. New students seeking college credits must meet the general admissions requirements of the University of New Orleans. Guest students from other institutions and continuing University of New Orleans students must meet the grade point requirements above. Priority will be given to students enrolled in a university program. After review of all application materials, students will be notified of acceptance into The International Summer School.

HOW TO APPLY
Apply online: [http://inst.uno.edu/austria/](http://inst.uno.edu/austria/)

Click on “Apply Here” to begin the application process. In addition to submitting the online application, you must complete and return all application forms before your application can be reviewed for acceptance into the program. Course selection takes place at the time of application but cannot be guaranteed until the student is accepted.

The University of New Orleans

REGISTRATION & SCHEDULING

- Registration is complete upon receipt of a student’s formal application and deposit.
- Course scheduling will be arranged based on a student’s preference list. In the event of time conflicts or if class quotas of 15 per class have been reached, students will be assigned to course(s) on their alternate list.
- The International Summer School requires all students to complete at least six hours (two courses) and allows enrollment in 9 hours (3 courses).

Eligibility & Admission Guidelines for UGA Students

University of Georgia students participating in The International Summer School must complete the UGA Study Abroad Credit Approval Form for UNO Innsbruck and submit it to the UGA Office of International Education (OIE) no later than 3 weeks prior to departure.

UGA students earn non-resident, transfer credit issued by the University of New Orleans, and grades earned on this program are calculated into the students’ overall GPA at UGA. Students should work with their Academic Advisor to complete and sign the Credit Approval Form and determine how the UNO Innsbruck classes will transfer and apply to specific UGA degree requirements or electives. UGA equivalents for courses offered in The International Summer School are listed on the UNO website, as well as the Credit Approval Form.

ELIGIBILITY & ADMISSION
GUIDELINES for UGA STUDENTS

University of Georgia students participating in The International Summer School must complete the UGA Study Abroad Credit Approval Form for UNO Innsbruck and submit it to the UGA Office of International Education (OIE) no later than 3 weeks prior to departure.

UGA students earn non-resident, transfer credit issued by the University of New Orleans, and grades earned on this program are calculated into the students’ overall GPA at UGA. Students should work with their Academic Advisor to complete and sign the Credit Approval Form and determine how the UNO Innsbruck classes will transfer and apply to specific UGA degree requirements or electives. UGA equivalents for courses offered in The International Summer School are listed on the UNO website, as well as the Credit Approval Form.

The Credit Approval Form needs to be on file in the OIE in order to receive federal, state or institutional financial aid, including HOPE and other scholarships for studying abroad. UGA financial aid, such as the HOPE scholarship and book allowances, is based on the number of credits students earn during the program and is calculated at the UGA tuition rate. Students can obtain a Credit Approval Form in the Study Abroad Library in the OIE, 110 E. Clayton St., Bank of America building, 3rd Floor, Suite 300, or download from the Download Forms section of the OIE website: [http://www.uga.edu/oie/sa_forms.htm](http://www.uga.edu/oie/sa_forms.htm).

“I came with great anticipation of a fun—filled summer, full of sightseeing, train rides, good food, and party times! What I didn’t anticipate was how much I would learn.”
Liza Hughes
University of Georgia

Some courses have precise UGA transfer equivalents, while others may have a more general transfer designation such as HIST 3T**, which indicates only the department and course level (in this case, a 3000 level History course). If needed, students may work directly with an academic advisor to determine a more precise course transfer equivalent. Students are advised to begin the Credit Approval Form process as soon as the decision to participate in the UNO Innsbruck program is made.

UGA students should contact the UGA Office of International Education to schedule an advising appointment with a Study Abroad Advisor if they have any questions about studying abroad, the credit transfer process, credit approval form, scholarships or financial aid.

FINANCIAL ASSISTANCE

The University of New Orleans and The International Summer School believe strongly that the European educational experience should be made available to as many qualified students as possible. To this end, a limited number of awards are available to UNO and UGA students who exhibit high academic achievement, can clearly demonstrate financial need, and whose academic plans will benefit most from this experience. Recipients are designated as Ambassadors and are expected to assist with the program while in Innsbruck. For further information contact the UNO Division of International Education.

Any student may be eligible to use financial aid, grants, or other forms of financial assistance for this program. Non-UNO students must apply for Financial Aid at their home institution.

EXAMINATIONS, TRANSCRIPTS & DIPLOMAS

• Mid-term and final examinations will be given in all courses. Regular attendance is required of every student.
• An official transcript of grades and credit hours earned will be sent by The University of New Orleans to all participants’ home institutions.
• A special certificate for The International Summer School will be awarded to students who complete at least nine hours with academic distinction (at least two A’s and one B).
• All students will receive a special certificate of attendance reflecting course grades.

UNIVERSITY OF INNSBRUCK

The Leopold-Franzens University of Innsbruck, founded in 1669 by Emperor Leopold I, is recognized today as a major European institution of higher learning and research. A longstanding formal Friendship Agreement with the University of Innsbruck affords UNO special access to the resources and faculty of this great European university. Since 1976, more than 8,000 students have spent their summers at The International Summer School on the campus of the University of Innsbruck. Moreover, hundreds of Austrian students have studied at The University of New Orleans, many of them for a year or longer. As a result, no university in the world has welcomed as many students from the University of Innsbruck as The University of New Orleans.

Students ride the gondola up the mountain to see a glacier as part of a class fieldtrip.

NOTE: Guest students are responsible for securing approval from their home institutions for the courses they wish to take.

CURRICULUM

In keeping with the purpose of The International Summer School, courses are enhanced by the setting in Austria and Europe. A concerted effort is made in all courses to reinforce the classroom instruction with the rich cultural surroundings.

All courses are taught in English. However, students are urged to take a German language course either before or during the summer for a better appreciation of the European experience. All courses listed will carry three credit hours, unless otherwise indicated. The academic regulations currently in force at The University of New Orleans will apply in Innsbruck as well. Freshmen and sophomores are eligible to enroll in courses numbered 1000 and 2000, and upperclassmen (over 59 hours of credit) may take any of these courses, as well as those numbered either 3000 or 4000. Graduate students are eligible to enroll for graduate credit in courses numbered 4000 and above.

NOTE: Guest students are responsible for securing approval from their home institutions for the courses they wish to take.

GENERAL INFORMATION ON TRANSPORTATION

TRAVEL DATES
The International Summer School 2011 starts on July 1 and ends on August 12. To arrive on July 1, you must depart the U.S. on June 30 (overnight flight). All students must check into the dormitory by 5:30 pm on July 1, in time for the mandatory orientation. Return date is August 12.

AIRPORT TRANSFER
We provide round-trip bus transfers from the Munich airport to the dormitory in Innsbruck on July 1, 2011, with return on August 12. All program participants can use this transfer service, provided they book their flights in accordance with the transfer schedule, posted on our website.

RAILPASSES
For weekend travels through Europe and travels before and/or after the program, rail is the best and cheapest mode of transportation. We recommend a Eurailpass, which must be purchased in the U.S. before departure. Students may purchase their Eurailpass from ITS Tours. To learn more about Eurailpasses, please visit our website. As Eurailpasses are based on the exchange rate between the US dollar and the Euro, the USD rate is not fixed until the pass is actually purchased.

GROUP FLIGHT
The University of New Orleans, through ITS Tours, has arranged group flights on Delta. The flights will depart from Atlanta or New Orleans on June 30, 2011 and arrive in Munich, Germany on July 1, with a return date of August 12. Group seats on each airline are limited and are sold on a first-come, first-serve basis. The cost for round-trip airfare from Atlanta to Munich is $1,795.00 or $1,850.00 from New Orleans to Munich, if full payment is received before March 26, 2011.

To reserve your group flight:
Please e-mail ITS Tours at their designated email address for this UNO group (see below). Please identify yourself as a student on The International Summer School, give your full name (as per passport), the dates of your proposed departure and return to the U.S., your preferred U.S. departure city, gender, and date of birth. Additional information per TSA (Transportation Security Administration) regulations may be required before the date of departure.

To contact ITS Tours:
1-800-533-8688
UNO@SuddenLinkMail.com

GROUP FLIGHT DETAILS
For information on how to book a seat on the group flight, please read this information carefully.

Payment Terms:
A $300 deposit by credit card or check will be required at the time of booking space in the group air block. The deposit is refundable if written notice is received by ITS Tours by February 25, 2011.

Final payment by check or credit card will be due no later than March 26, 2011, and is non-refundable once received by ITS Tours. Therefore we very strongly recommend the purchase of travel insurance from ITS Tours (see below).

ITS Tours must receive full payment by March 26, 2011 in order to issue a ticket at the group rate. However, please keep in mind that group space on each airline is limited and is provided on a first-come, first-serve basis and may not be available if participants wait until this date. Early purchase is strongly recommended. After March 26, 2011, tickets will be available at the prevailing individual rate on the date of purchase.

Please be aware that group seats are blocked by ITS Tours a year in advance of the proposed travel dates and the airlines are guaranteeing a fixed base rate for the seats regardless of what happens with the airfares. Because of this, at times, there may be individual seats available for instant purchase online or directly with the airline(s) that may be lower priced than the group airfares. Please be aware, however, that these types of tickets must be purchased instantly, and only a very limited number of seats will be available for sale. The group base rate ITS Tours has negotiated is the same for all travelers in the group and is guaranteed not to change as long as all deadlines are adhered to. Note, however, that the group rates quoted above include all government taxes, airline surcharges, airport fees, and fuel surcharges on the date this information is printed for publication and that, in case any or all of these items do change before ticketing, the total rate of the ticket may increase and the participants will have to pay the increase before the ticket will be released. This is beyond the control of ITS Tours and these taxes, fees, and surcharges may increase at any time without notice.

ITS Tours accepts checks, VISA, MasterCard or American Express credit cards for all payments. Credit card payments must be accompanied by an authorization form completed by the actual cardholder. Please advise ITS Tours in your initial correspondence of your preferred method of payment. Once you have been accepted into The International Summer School, ITS Tours will e-mail each participant the details regarding the group flight and Eurailpasses.

Students are urged to book and make their deposit early in order to ensure a reservation. Space can only be guaranteed once ITS Tours has received your payment information and signed authorization. Again, group space is limited and is provided on a first-come, first-serve basis. Reservations for connecting domestic flights are made at the time of booking and deposit.

Tickets will be electronic and will include a group flight passenger receipt, flight itineraries, and a round-trip coach transfer coupon. Coach transfer information (pick-up point, departure time, etc.) will be sent to each person with final documents. Group tickets are issued approx. 30-45 days before departure. Once a ticket has been issued, it will be non-transferable, non-changeable, and non-refundable for any reason including medical reasons. In addition, no partial credit for unused tickets will be granted nor will credit toward future travel be granted if all or part of a ticket has been canceled or used. Cancellation of a reservation will incur penalties; details will be provided upon request.

When full payment has been received, participants will be placed by the airline into the “block” of seats assigned to the group on each aircraft. Specific seat requests cannot be honored in advance of airport check-in. It is possible to request a change from the “block” upon check-in with each respective air carrier but a change from the pre-assigned “block” seat may not be granted before airport check-in. Frequent flier numbers may only be presented to each specific air carrier upon check-in with that specific carrier and will not be accepted in advance.

Travel Insurance:
Because your payment is non-refundable once received by ITS Tours, The International Summer School, ITS Tours and all airlines involved strongly recommend each participant consider purchasing appropriate travel insurance for trip cancellation and baggage loss. Each participant and/or purchaser of travel insurance is solely responsible for understanding the possible limitations associated with the travel insurance they decide to purchase. Please check with ITS Tours for coverage and quotes.

Other Travel:
ITS Tours will also be able to make any other travel arrangements before and/or after the program. If you plan to travel independently in Europe before and/or after the scheduled Innsbruck program, please contact ITS Tours and they will help arrange this travel for you. This may save you some money. It may be possible to fly back with the group flights even if your flight to Europe was different than the scheduled group flights, as long as your flights are arranged through ITS Tours. Different conditions may apply if you make alternate travel arrangements with ITS Tours. These deviations will be handled separately by an international air expert from ITS Tours.
IMPORTANT INFORMATION

PASSPORT & VISAS
A valid passport is required for all U.S. and Canadian citizens traveling to Europe. For passport fees and application instructions see the U.S. Department of State site: http://travel.state.gov/passport
It is strongly suggested that you apply for your passport as soon as possible, and no later than April.
All foreign students requiring visas for travel in European countries must secure those visas before arrival in Europe. The Division of International Education assumes no responsibility for visas.

MEDICAL INSURANCE
All students will be covered by a comprehensive study abroad medical insurance plan that is included in the cost of the program. This policy provides for accident, medical expenses, emergency medical and evacuation, repatriation of remains, and family assistance coverage. Extended coverage at additional cost is also available. A brochure fully detailing the insurance plan will be provided to each student. The policy does not cover trip cancellation or baggage loss. Such a policy is available for purchase from ITS Tours or other travel agencies and is strongly recommended.

ACCESSIBILITY FOR THE DISABLED
The University of New Orleans is committed to making The International Summer School and all of its programs accessible and friendly to the physically challenged. Persons requiring special facilities should notify the Program Director at the earliest possible date so that their needs may be properly assessed and accommodated.

WEEKEND TRAVEL

Classes are generally scheduled from Monday to Thursday, except for the first and the fifth program week when classes are also held on Fridays. Most of these long weekends are free for students’ individual travel and offer a wonderful opportunity to explore other parts of Europe.

"My trip was a journey of great discovery. My travels took me not only to the beautiful mountain town of Innsbruck, but also to Munich, Venice, and Rome.”
Clifford Samuel-Hine
The University of New Orleans

HOUSING

Our Student Dormitory — The Rössl in der Au
The International Summer School includes accommodations at a dormitory in Innsbruck. The facility offers furnished rooms with a private bathroom and shower. Most rooms are twins. A full breakfast buffet is served in the dorm on class days.
Single room upgrades are available for $550.00. Please see website for details.

The Eagle’s Nest in Berchtesgaden is of historic interest and offers stunning views!

CLASS FIELD TRIPS

Most students in The International Summer School will enjoy the opportunity to take field trips within Innsbruck, as well as other parts of Austria and across international borders to Italy and Germany. These trips are integral to the courses and are conducted by the professor of each class. Most short excursions require no additional expense in order to participate.

We are convinced that these field trips provide some of the real highlights and exceptional experiences of The International Summer School. Students should consult the individual course descriptions provided in the online Summer Course Guide for details about required field trips, or call The International Summer School office for more information. Students are advised not to miss any required field trip(s) as this could result in academic/participation penalties.
